

# HUMANOMICS ON WHEELS

## Announcing Mobile Medicals

**Bringing fast, convenient, quality employment health assessments to your workplace**

- Employment Health assessments are great but they *can*, take lots of time and can cost your business lots of money in lost productivity. Now, that no longer has to be the case.
- You can have all the benefits of ensuring your people are fit for work without the long downtime.
- Humanomics can now come to you with our state of the art mobile testing facility.
- We're currently undertaking requirements for ISO 9001 accreditation

### Benefits of Using Our Mobile Service

- ✓ Less downtime. Your employees don't need to waste time travelling. In fact some assessments can be completed in as little as 20 minutes.
- ✓ Need to scale up your workforce for a project? Bulk assessments can be done quickly and easily.
- ✓ We can come to you and complete all your pre-employment assessments on the spot.
- ✓ You can interview, assess and employ new employees all on the same day – ideal for large projects.
